

A)

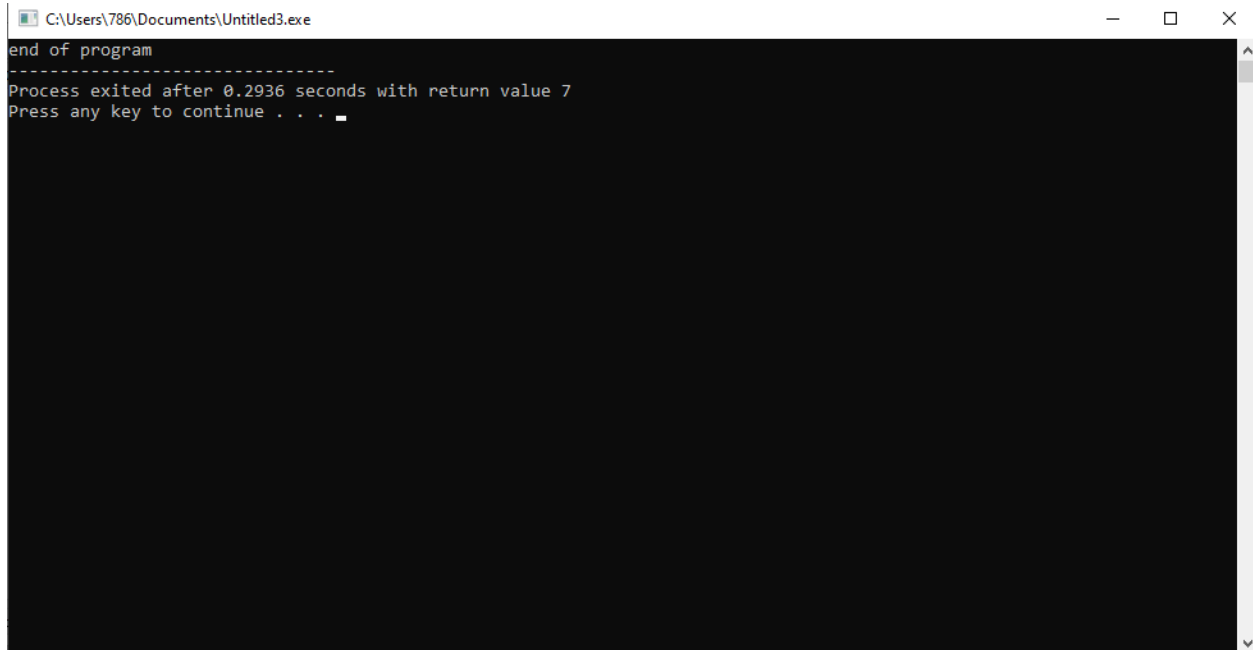

The screenshot shows the Dev-C++ IDE interface. The main editor window displays a C++ program in 'Untitled3.cpp'. The code is as follows:

```
1 #include<iostream>
2 using namespace std;
3 int main()
4 {
5     int i,j;
6     for(i=1;i>7;i++)
7         cout<<i;
8         cout<<"end of program";
9     return 7;
10 }
```

Below the editor, the 'Compiler' window shows the 'Compilation results...' for the same file. The output is:

```
-----
- Errors: 0
- Warnings: 0
- Output Filename: C:\Users\786\Documents\Untitled3.exe
- Output Size: 1.83193492889404 MiB
- Compilation Time: 1.17s
```

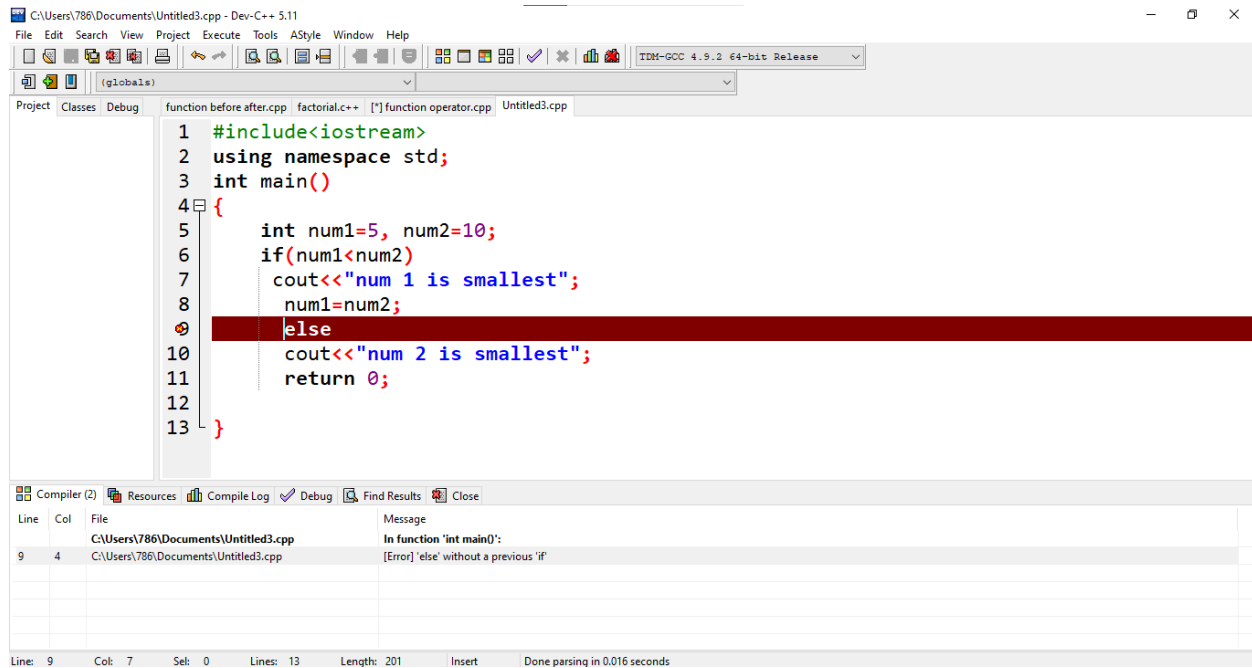

The status bar at the bottom indicates 'Line: 1 Col: 19 Sel: 0 Lines: 10 Length: 142 Insert Done parsing in 0.062 seconds'.

The screenshot shows a command prompt window titled 'C:\Users\786\Documents\Untitled3.exe'. The output of the program is displayed as follows:

```
end of program
-----
Process exited after 0.2936 seconds with return value 7
Press any key to continue . . .
```

B)

c)

The screenshot displays the Dev-C++ IDE interface. At the top, a terminal window shows the output of a program execution: the number 1222, followed by a separator line, and then the message "Process exited after 0.3252 seconds with return value 0" and "Press any key to continue . . .". Below the terminal, the main IDE window shows the source code of a C++ program in a file named "Untitled3.cpp". The code is as follows:

```
1 #include<iostream>
2 using namespace std;
3 int main()
4 {
5     int a=0, b=1;
6     a=b++;
7     cout<< a<< b;
8     b=++a;
9     cout<<a<<b;
10    return 0;
11 }
12
```

The IDE's status bar at the bottom indicates the current cursor position: "Line: 10 Col: 14 Sel: 0 Lines: 12 Length: 139 Insert Done parsing in 0.016 seconds". A "Compilation results..." panel is also visible, showing that there are 0 errors and 0 warnings, and providing details about the output file, size, and compilation time.

D)
